Think You Can't Afford Travel? Think Again.

ATLANTA, GA (Dec 2018) — The secrets of free travel are finally divulged in Atlanta author's newest book, ***Everywhere for Nothing! Free Travel for the Modern Nomad***.

Meggan Kaiser has combed over thirty countries and hundreds of cities, taken every imaginable mode of transport, and roomed with over forty foreign families—all to discover how to travel for free. The book is no gimmick—free and budget travel options abound for the student, millennial, solo traveler, and even families.

Covering accommodation, transport, tourism, meals, and budget, this travel book reveals countless ways to create a dream trip. It debuted as an Amazon #1 New Release in the Budget Travel, Solo Travel, Senior Travel, and Travel Tips categories.

"Despite the diminutive size of the book, Meggan ... packs a remarkable amount of travel tips and travel hacks within its pages," says Dave's Travel Corner.
